

Wooly Window Boxes Mystery Stitch A-Long

March 3, 2022 - May, 2022

We are so happy that you have joined us in this wonderful stitch-a-long. There are six designers in our group and we are each doing two designs (filling window boxes)! Beginning on March 3rd, we are releasing a new design each Thursday for twelve weeks. When all twelve designs are done, we'll have some finishing options for you (exact dates for the finishing patterns will be announced later). When each pattern is revealed, it is free to download for one week. If you have missed any of the first weeks, the patterns are available to purchase at a reduced price. We are also offering kits and thread kits from each designer. Below is a checklist with info on each designer and release dates to help you keep track of your orders.
